Host College: The Patidar Gin science College, Bardoli

United Phosphorus Ltd (UPL) Ankleshwar has conducted campus recruitment interview on 17th march 2023 in The Patidar Gin science College, Bardoli for the post of trainee.

Panel of three members, Mr. Dixitgiri Goswami (HR Head and Industrial Relations), Mihir Upadhyay (Human Resource Business Partner), Hiren Gohil (Team Leader Process) came for searching suitable talent by conducting student interview.

The programme was conducted by Dr. B. N. Gamit and started with warm welcome of UPL team by Principal Dr. B. R. Naik sir. This was followed by welcome address by host principal and presentation by Mr. Dixitgiri which gave detailed information about UPL. After that group discussion was conducted, student qualifying the group discussion were then interviewed by the UPL team.

Around 34 students from The Patidar Gin science College were participated in the campus interview. 24 students qualified after group discussion for personal interview. Qualified students were then interviewed, results were declared after the interview round was completed. 14 students were selected by UPL team.

Overall experience and feedback of the UPL team was very positive as the need of their company to search the right talent to drive its company objectives is fulfilled by our students.

Students were happy because they know that working with UPL is the right environment to grow and achieve their career goals.

Our Principal, Dr. B. R. Naik motivated and supported in every aspect for the successful conduction of this campus interview and quoted how such programmes were essential for boosting the confidence of students.

Report

It is important to build general aptitude regarding some simple mathematical calculation routinely required for practical skill in chemistry and biology among the student. To aware, provide guidance, and other information about various formulas in day to day requirement for laboratory work and also for competitive examinations. Biology Department, The Patidar Gin Science College, Bardoli organized A Special talk on “Refresh Your Chemistry and Maths for T. Y. B. Sc. Chemistry & Bioscience (Microbiology) Students” on 25th January, 2023 at 12:00 noon onwards. Dr. Gopal Jee Gopal, Assist. Prof. CGBIBT, UTU, Maliba Campus, BARDOLI delivered informative lecture to the last year undergraduate students of Chemistry, Maths and Bioscience (Microbiology) students.

Dr. Gopal Sir emphasized the importance of general calculative methods, required for practical work as preparation of some solutions included buffers, and quantity requirement for general purpose uses in chemistry lab & laboratory of biological science. He also encouraged the student for proactive engagement in this task by remembering the basic formulas and highlighting crucial points to the students. This approach to studying not only important in lab but also enhances the preparation for various competitive examinations. Total 93 enthusiastic students were participating in a special talk delivered by devoted and knowledgeable teacher, Dr. Gopal Jee Gopal. It infused a sense of joy and enthusiasm among the students and many expressed a strong desire to excel in their lab skill. Dr Premlata Patel, HOD of Chemistry Department honored Dr. Gopal with a memento.
